Vaibhavi Kolipaka

Profile

Dedicated and accomplished computer science student at the International Institute of Information Technology Hyderabad (IIITH), with a strong academic foundation from Asian International Private School, Ruwais. Recognized as a 12th board topper and Rank 1 in the 11th grade entrance examination, complemented by gold and silver medals in Science and Math Olympiads and the Best Speaker award in the 2024 school debate competition. Proficient in HTML, CSS, and JavaScript at an intermediate level, with moderate expertise in C++ and a budding interest in Python. Bringing a global perspective from upbringing in India, UAE, and Saudi Arabia, paired with a passion for creative pursuits like Hindustani classical music, dance, and henna art. Eager to leverage technical skills and diverse experiences to contribute effectively to innovative projects and teams.
